BUFFET SOLUTIONS

MOGOGO  
**V-SHIELD BREATH GUARDS**

## **standalone shield to fit any flat surface**

The perfect addition to your current foodservice display, Mogogo V-Shields can be used on existing flat surfaces in your establishment. With features to turn corners and shield the ends, these breath guards offer complete coverage where necessary.

The brushed stainless steel black legs are equipped with magnets, notches, and anti-slip pads for additional stability and a clean gap-free appearance, while the acrylic shields are available in several sizes to accommodate your needs.

MODULAR SYSTEM  
**SELF-SERVICE BREATH GUARDS**

**designed for safety**

Create an inviting, yet safe foodservice display with Mogogo's Breath Guards. Designed specifically for safety while ensuring function, quality and aesthetics, these self-service breath guards are perfectly sized to protect the food and attach to Mogogo's existing Modular carts. It simply latches onto the shelf to ensure proper security and steadiness, but is still portable and can be removed if desired.

MODULAR SYSTEM  
HIGH PROFILE BREATH GUARDS

# shielding both the food & staff

In harmony with high quality standards, these acrylic breath guards provide an ideal solution for the food & beverage industry. The high profile guards are intended for manned stations to shield both the staff and food. Available with end panels or a service opening, these shields will provide a safe food preparation and serving area.
