V-SHIELD & MODULAR BREATH GUARDS
reimagining food & beverage furniture for the hospitality industry

When versatile functionality meets high design, Mogogo Buffet Solutions can deliver an exceptional line of products which adapt to any venue or occasion. With a vast collection of tables, carts and accessories, the Mogogo collections are designed to create endless configurations from the same structural components. When you think of F&B furniture, think Mogogo – where beautiful, functional products blend seamlessly in any interior, while elevating design standards for your guests.

LINENLESS
Aesthetic, clean design with a cost savings in laundry, set up & replacement linens

MOBILE
Optional casters and storage carts make it easy to transport furniture

ADD-ONS
Functional & eye catching additions from signposts and canopies to breath guards and v-shields

MODULAR
A wide variety of finishes, materials & add-ons to customize each unit

SUSTAINABLE
Minimizing carbon footprint with the use of sustainable materials & concise packaging
standalone shield to fit any flat surface

The perfect addition to your current foodservice display, Mogogo V-Shields can be used on existing flat surfaces in your establishment. With features to turn corners and shield the ends, these breath guards offer complete coverage where necessary.

The brushed stainless steel black legs are equipped with magnets, notches, and anti-slip pads for additional stability and a clean gap-free appearance, while the acrylic shields are available in several sizes to accommodate your needs.
