

designed for safety

Create an inviting, yet safe food service display with Mogogo's breath guards. Designed specifically for safety while ensuring function, quality and aesthetics, these breath guards are available as attachments to Mogogo's existing modular carts which include self-service and high profile. The self-serve guards are sized to protect the food while the high profile guards are intended for manned stations to shield both the staff and food. In harmony with high quality standards, these acrylic guards provide an ideal solution for the food & beverage industry.

standalone shield to fit any flat surface

The perfect addition to any buffet or station, Mogogo V-Shield Breath Guards can be used on most existing flat surfaces of any length, with features to turn corners and shield the ends. The brushed stainless steel black legs are equipped with magnets, notches, and anti-slip pads for additional stability and a clean gap-free appearance, while the acrylic shields are available in several sizes to accommodate your needs.
